PROFESSIONAL SUMMARY

I am a recent graduate from the Higher Institute of Computers and Management Information Systems with a strong passion for Front-End Development. I have completed training in HTML, CSS, JavaScript, Bootstrap, and React.js, and have built several projects, including an E-Commerce website and a personal portfolio website. I enjoy creating responsive, user-friendly, and modern web applications while continuously improving my technical skills. I am currently seeking an opportunity as a Junior Front-End Developer where I can apply my knowledge, gain practical experience, and contribute to real-world projects within a professional team.
